E-Learning Modules

A self-learning platform which incorporates recent understanding of cognitive load, strategically combining text, audio and images for greater effectiveness. From an instructional perspective, we use knowledge checks, scenarios, branched narratives, and gamification.

SBI Life - Ethics in Sales

ICICI Prudential - Code of Conduct

Business Stationery

Looking to get your name out there? Customising your stationery is a great way to get noticed. Hire a graphic designer to create stunning brochures, fliers and business cards, so you can make the best first impression.

Packaging Designs

Great packaging can help your product stand out from the crowd and entice customers to your product. Hire a packaging designer to revamp your product packaging today.
